About Quality Control team:

• We deploy one Quality Assurance Inspector for Factory who visits factory on regular and full time basis in order to ensure Development, Sampling, Production Follow Up, CSR Checking, Confirming required quality standards. We make a first sample and send it to customer to check the Workmanship and according to First sample comment we make each color sample by using actual accessories and send to customer to avoid any mistake in Bulk Production. Every Saturday we have a weekly meeting to check the status of the each order and every Monday we do TV conference with Customers to update them. "No compromise with the Quality AT ALL".

Quality is our High priority:

Our Quality Policy:

Now a day it is very important to have a good quality policy in every sector specially for garments sector it's must. We have our own strong quality policy and besides we also follow buyer's quality policy. We trust in Continuous improvement of Productivity, Quality, Service, Relationship and Human Resource to achieve Total customer satisfaction.
